[Learn more](#) about the Cushman Club Of America

Have you recently inherited a Cushman Scooter or run across an old barn find? Did you have a Cushman as a teenager and want to re-live the experience? Or maybe you've always admired the style and looks of the Cushman Scooters and are ready to buy your first one. Whatever your interest, if you want to purchase a Cushman we have 19 of them listed for sale (in varying condition) in the classified ads in the club magazine. If you already have a Cushman and need parts or repairs, our club magazine also has 15 classified ads of members and businesses that work on Cushmans and 16 ads selling parts. Or if you are ready to add some juice to your Cushman, we have classified ads for businesses that specialize in Vanguard conversions. If you want to sell your Cushman, the club will post your ad at no charge on our website for club members (and our ads are highly successful). To join the club [click here.](#)
