\$15⁰⁰ Each Plus Postage

Much time and effort has gone into the preparation of the 2027 Cushman Calendar. We would like to thank the members who sent photos in for the calendar, and our club officers, who willingly contributed to the production of this fine collection of beautiful Cushmans. This is a Club project and is designed solely to promote our hobby, and to provide our membership an opportunity to display some of the nostalgic affection that we all associate with our little Cushman scooters. Please support our Club effort and purchase a 2027 calendar using the order form below. Limited supply, so order early.
